

Time trials

English DNA engineered by Swiss hands, Graham watches are the final word on high-performance wristwear

GRAHAM MERCEDES GP TRACKMASTER £4,500

As the official timing partner of the Mercedes GP Petronas F1 team, Graham has commemorated the relationship with the launch of a very special Trackmaster. You don't have to be travelling at 200mph at the Nürburgring to understand that this is a timepiece of extremes: namely extremely stylish and extremely covetable.

GRAHAM TOURBILLON TRACKMASTER BLACK £30,000

The result of four years of in-depth development, the Tourbillon is designed for life in the fast lane, imagined and constructed in the vein of Graham's "High Adrenaline" timepieces. Limited Edition of 100 pieces. Wallflowers need not apply.

The Watch Gallery is a relaxed and friendly independent boutique, stocking the world's finest timepieces. Here, experts share their considerable knowledge of luxury watches, providing an extraordinary level of service in discrete and comfortable surroundings. The watches on offer range from premier international brands to more specialist collections.
