

Discover your six scents this Christmas

Ever since the very first Christmas, fragrance has been considered the ultimate – and most precious – of gifts (the Three Kings offered up frankincense and myrrh after all). And outside of Dita Von Teese there's still no better stocking filler.

If you're looking for a stylish gift for the woman in your life, how about the sensual *Femme* by BOSS – the ultimate fragrance for the modern woman? Or, for your younger sister try the youthful *Lacoste Touch of Pink*, with its soft jasmine and vanilla notes. And if you're after a sexy number for your wife or girlfriend there's no better gift than the feminine, delicate and fantastically sexy *Hugo XX*.

And while you're at it, why not put the supremely sophisticated *Boss Pure*, with its blend of fresh and woody notes, the sporty *Lacoste Red* or the magnetically sensual *Hugo XY* – the perfect "nighttime" fragrance – on your own Christmas wish list?
