And if you want to experience the city's dynamic, electric energy and the DKNY style there's no better way than through DKNY Men, the ultimate modern fragrance for men.

With energising tangerine, ginger, fresh juniper berry and sensual sandalwood, housed in a striking skyscraper bottle, it's an iconic fragrance that perfectly captures the contemporary spirit of a truly iconic city. So, to find your own New York state of mind check it out – and why not treat your other half to the seriously sexy sparkling women's version while you're at it?

DKNY Men energising fragrance is available from larger Boots and major department stores and perfumeries.
