

**6.23PM**

Gah! Rush hour + the usual disorganisation = could be late for the first date. Good job I checked [www.multimap.co.uk](http://www.multimap.co.uk) on web'n'walk to get me back on track with a shortcut.

So she loves Razorlight. Barely heard of them to be honest. But while she nips to the loo, I'll use web'n'walk to buy the album from [www.cd-wow.com](http://www.cd-wow.com) ... She's taking her time, so I'll buy some of their gig tickets too from [www.seetickets.com](http://www.seetickets.com)

**9.39PM**

My turn to pop to the loo – ie to find out if England won tonight. I was gutted to miss the match, but at least with web'n'walk I've been able to keep abreast of the scores with [www.skysports.com](http://www.skysports.com)
